Gmaj Em7 C(add9) D
I wonder why the clouds are in the sky?
Gmaj Em7 C(add9) D
What makes the float? What makes them fly?
Gmaj Em7 C(add9) D
How do they store up all the rain they have inside?
Gmaj Em7 C(add9) D
I wonder why?

Gmaj Em7 C(add9) D
And I wonder why the ocean is so blue?
Gmaj Em7 C(add9) D
Who made that color, I wonder who?
Gmaj Em7 C(add9) D
Who makes the waves to fall and rise?
Gmaj Em7 C(add9) D
I wonder why?

C(add9) D Gmaj Em7
Why can't I see the wind? Why can't I touch the sky?
C(add9) D Gmaj Em7
Why can't I walk on water? Why can't I learn to fly?
C(add9) D Gmaj Em7
Why can't I play forever? I've always wondered why.
C(add9) D Gmaj
I wonder, wonder, wonder why.

Gmaj D C(add9) D
Won't you take a little time to take a look around you and see what God has made.
Gmaj D C(add9) Some
things I can't understand but I know that it's all just a part of God's plan.
C(add9)
It's gonna take a minute, it's gonna take a while.
D Gmaj D
But I know that I'll figure it out some how. I'll figure it out some how.
C(add9) D
I'll figure it out some how. I'll figure it out some how.

Gmaj Em7 C(add9) D
And I wonder why the birds all sing a song?
Gmaj Em7 C(add9) D
How come the cats and dogs don't always get along?
Gmaj Em7 C(add9) D Gmaj Em7 C(add9) D
How come a penguin never flies? And I wonder why?
Gmaj Em7 C(add9) D
And I wonder why the mountains are so tall?
Gmaj Em7 C(add9) D
Why is the sun so hot? And why are bugs so small?
Gmaj Em7 C(add9) D Gmaj Em7 C(add9) D
Why do the leaves change in the fall? Well, I can't recall.

C(add9) D Gmaj Em7
 God made the heavens. God made the earth.
 C(add9) D Gmaj Em7
 God made forever, and God made the universe.
 C(add9) D Gmaj Em7
 God knows the answers to every what and why.
 C(add9) D Gmaj
 God made everything... that's why.

Gmaj D C(add9) D
 Won't you take a little time to take a look around you and see what God has made.
 Gmaj D C(add9) Some
 things I can't understand but I know that it's all just a part of God's plan.
 C(add9)
 It's gonna take a minute, it's gonna take a while.
 D Gmaj D
 But I know that I'll figure it out some how. I'll figure it out some how.
 C(add9) D
 I'll figure it out some how. I'll figure it out some how.
 Gmaj Em7 C(add9) D Gmaj Em7 C(add9) D
 And I wonder why, and I wonder why
 Gmaj Em7 C(add9) D Gmaj Em7 C(add9) D
 And I wonder why, and I wonder why,
 Gmaj Em7 C(add9) D Gmaj
 And I wonder why,
